

Dear Store Manager,

As a regular customer of your store, I would really appreciate the convenience of purchasing Bageladies Bake'mm Bagels here where I shop. Bageladies make top-notch, NY-style bagels that we bake fresh at home in about 10 minutes. My family loves them!

They're great bagels, and also happen to be healthy low-glycemic and help control blood sugar-insulin balance.

I discovered Bageladies Bake'mm Bagels in Virginia, where they're made. They are becoming available at grocery retailers in many parts of the country, and I would like to buy them here in my store.

Thank you!
